door thrown open

The key to understanding is knowledge. It is hoped that we who are about to leave Stoneham High have taken advantage of the many doors which have been opened for us by inspired and devoted teachers.

As we turn the pages of our yearbook, today and in the years to come, may they bring back to us fond memories of knowledge gained, of friendships made and of games well played. May our wealth of learning be used to bring honor and glory to our Alma Mater.

this our 1957

TORCH

to Mrs. Sadie Marshall

Inspired teacher, wise counsellor, sincere friend—all these and more has Mrs. Sadie Marshall been to the class of 1957. Whatever the task, she has given generously of her time and talents in our behalf.

The lessons she has taught, both in and out of the classroom, have enriched our lives and helped us to foster the true American ideals of democracy and equality.

In token of our admiration and affection for her and for all she personifies, we, the class of 1957, fondly dedicate this edition of the *Torch* to Mrs. Sadie Marshall.

The Key to Instruction

Simple as it seems, it was a great discovery that the key of knowledge could turn both ways, that it could open, as well as lock, the door of power to the many. We are indeed fortunate, therefore, to have such a very capable faculty which guides us in the proper use of this powerful weapon.

Whatever success we may achieve in later life will be due in great measure to these dedicated men and women.

The "key" men in the high school administration are, Superintendent C. Newton Heath, Principal William Nadeau and Vice Principal Wendell Horton.

The health of the student body is in the capable hands of school nurse, Miss Rebecca Bowles.

SENIORS

What a privilege and a joy to be a senior!

At no other time in our lives have we felt so independent, so confident, and so respected. No longer are we considered children but as young adults free to assume the responsibility and leadership of the school and the community. Each year we have grown in maturity, strengthened our personalities with new experiences, and broadened our horizons with the aid of the Master Key of Opportunity offered us by our loving parents and teachers. In time we are expected to employ this vital key to open for us the Door to the Future.

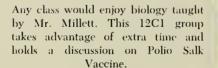

The

This senior typing class quickly and skillfully pounds the typewriter keys during one of Mr. Richardson's speed tests.

Demonstrating a metal cutting lathe, Mr. Paolini is carefully watched by Russell Allison, Peter Mahar, John Bowen and Charles Frampton.

The boys combine healthful exercise with fun as they go through their paces during a gym period.

Mrs. Vera Curley adds a dramatic flourish to her English classes.

the door has been opened

Our very patient driver training instructors, Mr. Roger Lamson and Mr. Clark Richardson, emphasize caution and safety on the highway as well as driving skill.

Mr. Roland Tapley gives instruction on the violin to Bernadine Bacon while David Callan and David Brule listen intently.

A typical study class makes good use of the time to finish assigned work.

On the verge of a great discovery are John Nelson, Arthur Smith, Angelo Fionda, and Kevin Donovan.

Checking a date in U. S. History are four of Mr. DeTeso's protege's, Barbara Roberts, Thomas Treacy, Mike Hurley and Bob Johnson.

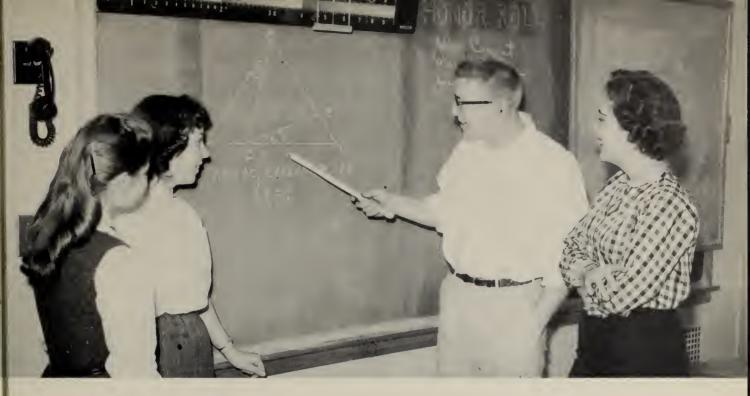

Their speed is unbelievable; their accuracy unequaled! Displaying this claim are Maureen Vallely and Marie Fionda.

Tomorrow's homemakers are today's school girls. Preparing for their important future position are Roberta MacIntire and Pat Skjold.

"Professor" Thomas Treacy explains a difficult math problem to his eager "students," Peg Nicholson, Elaine Talmanson, and Maureen Kelly.

ATHLETICS

Many lessons may be learned on the athletic field as well as in the classroom. A sound athletic program is the key that opens the door, so to speak, to sportsmanship, fair play and respect for your fellow man. Just such a program is available at Stoneham High School.

Out to win the game, the teams tried their best; out to uphold the reputation of true sportsmen, the teams were not excelled. Win or lose, they were a credit to their school, their community and themselves.

"Touchdown!" Capt. Powers plunges over against Reading.

Top men at S.H.S. are able coaches Pat Ranauro and Jack Downs and hastling co-captains Richie Powers and Eddie Eramo. The Stoneham High eleven played some great football this season. The new head coach, Pat Ranauro, and his able assistant, Jack Downs, put together a well-drilled team which gave each team in the league an interesting afternoon.

Playing in the newly formed Middlesex League, the boys had a creditable season, finishing with a 1–4–3 record. Highlights of the season were the 14–13 win over Concord and ties with Wakefield, Melrose and Lexington.

ideals of sportsmanship.

This year's team was led by co-captains Richie Powers and Eddie Eramo.

Our hard charging forward wall was sparked by Angelo Fionda, Eddie Murrin, Tom Treacy and Bob Noyes.

Standouts in the backfield were Richie Powers, third leading scorer in the league, hard running Don Malonson and Billy Mundo.

Leading the 1956 S.H.S. football squad through thick and thin was co-captain Richie Powers. His spirit and ability were a credit to S.H.S.

Breaking clear, Malonson carries the ball ten yards before he is tackled by a Reading player on the twelve yard line.

Vivacious and well-liked captain Nancy Gummow has shown enthusiasm and interest throughout the year, and S.H.S. hails her as one of its best representatives ever!

Senior Stars! "Victory, victory is our cry!" D. Morrison, S. McCarthy, Capt. N. Gummow, P. Patterson, and S. Rolfe demonstrate the ability of the 1957 cheerleaders. T. Sckerchak was absent when the picture was taken.

CHEERLEADERS

An enthusiastic cheering section inspires any team to greater heights. We were indeed fortunate, therefore, to have such a loyal group of cheerleaders leading the cheers for our athletic teams this year.

Led by their captain, Nancy Gummow, these girls made a colorful picture as they rallied the spectators behind our teams. Their spirit was an inspiration to all.

MAJORETTES

The majorettes, led by Captain Dorothy Cairns, provided many interesting moments for the spectators at the football games this season. Their long hours of practice paid off when they were well received by those attending the games. They made a very colorful picture as they executed their routines to music played by the Stoneham High School Band. This group, with their twirling, strutting and spirit, will long be remembered by those who saw them in action.

Strutting and twirling her way into the hearts of Stoneham football fans was Captain Dottie Cairns. Her charm and ability made her an outstanding personality at S.H.S.

The team, led by Captain Eddie Murrin, gave a good account of itself in the Middlesex League this year. While not particularly successful in terms of wins and losses, the squad never stopped trying and gave some of the top teams in the league a battle all the way.

Captain Tommy Treacy specialized in impossible saves.

Teddy Peabody and Bobby Noyes take off after the puck.

Spectators at our hockey games were treated to some exciting moments as the team played inspired hockey all season long. Even though they were underdogs in almost every game, the boys never gave up and managed to win several games in the G. B. I. League.

Captain Tommy Treacy was a standout in the nets as he made sensational saves in every game. Teddy Peabody and Bobby Noyes sparkled on the offense for the Blue and White.

Standouts were R. Noyes, A. Fionda, R. Powers, J. Fitzgerald, W. Mundo, and S. Camuso. Stoneham had one of its most successful seasons in years as it competed in the Middlesex League.

TRACK

For the first time in the school's history, Stoneham had a track team. Working with untested material, Coach Ryan brought the team along slowly but by the season's end it was developing into a first class outfit.

High point men were A. Chapman and J. Shannon.

Cross country was brand new at Stoneham this year. Though inexperienced, the team ran against teams from neighboring communities and gave a good account of itself.

The Girls' Glee Club was supervised by Mrs. Gilda Wipperman. The group was well received wherever it performed.

Say it

The orchestra, under the direction of Mr. Rolland Tapley, provides the music at many of the school functions.

Representing Stoneham High School at the All-State Music Festival were S. Shannon, P. Woods, D. Flanders and S. McCarthy. This year the music clubs, octet, and special soloists under the able direction of Mrs. Gilda Wipperman, Mr. Alfred Todaro, and Mr. Rolland Tapley again presented excellent musical programs at the Carnival Ball, Spring Concert, Christmas Program, Memorial Day exercises, and Graduation.

The Girls' Octet consisted of M. Cannaletti, J. Blaisdell, M. Harrigan, M. Hamill, L. Crow, A. French, P. Woods, and S. McCarthy.

The band gave us many enjoyable moments whenever it performed.

Our music clubs have always been outstanding and this year's groups were no exception. These talented groups were a credit to Stoneham High School. Mrs. Wipperman, Mr. Todaro, and Mr. Tapley are to be congratulated for turning out such fine organizations.

National Honor Society

The purpose of the Honor Society is to promote scholarship, develop leadership, and to render service to the school and community. Students having a "B" or better average are eligible for membership. Members are a credit to the student body and the community.

Mr. Robert Millett, advisor of the Honor Society.

Athletic Association

The spark injected in the A.A. this year was magnetic. The Booster Club's membership drive, headed by Mr. Wendell Horton with the support of the student body and townspeople, met with outstanding success. Promoting interest, enthusiasm, and participation in all our athletic programs, the A.A. plays an important part in S.H.S.

In carrying out democratic ideas, any group deserves a chance to express opinions in matters related to the group. In S.H.S. such an opportunity is offered to members of the Student Council. The student body, through its repre-

sentatives, can offer suggestions, ask questions, and take a real part in school affairs. The councillors contributed a great deal to student government and to the development of school leaders.

A bevy of beautiful girls, their handsome escorts, danceable music, and the country club atmosphere of Bear Hill combined to make the annual Junior-Senior Prom a night long to be remembered by all who attended. The social committee is to be congratulated for its hard work which made this year's event such an enjoyable one.

Prom chaperones were, left to right: Mr. Nadeau, Mrs. Nadeau, Mrs. Marshall, Mrs. Marshall, Mrs. Curley, Miss Regish, Mr. Richardson, Mrs. Horton, Mr. Horton.

Girls and Boys State Representatives

Representing Stoneham at Girls' and Boys' State were, *left to right:* J. Herron, R. Boyd, E. Wile, P. Kyle, D. Fletcher.

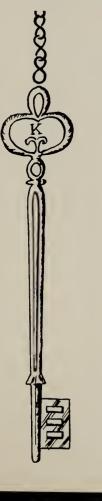

Exchange Student

One of the most popular members of the class of 1957 was Rolf Furtwaengler, an exchange student from Germany. We all felt it was a distinct privilege to have been able to know Rolf. This very personable young man was an active participant in all our school affairs.

It is our fervent wish that the student exchange program will be continued. Through such a program we get to understand other peoples of the world. An understanding of others will go a long way toward solving the problems now confronting us.
